

North Texas Institute

for Career Development

The North Texas Institute for Career Development (NTI) is Goodwill Industries of Fort Worth's career school. We believe in empowering students by providing training and meaningful job skills to prepare for the workforce.

VIRTUAL CERTIFICATIONS IN:

Medical Front Office Assistant

Students earn national certifications that could qualify them for career opportunities as receptionist or office specialist.

Medical Billing Specialist

Students earn national certifications that could qualify them for career opportunities in medical office insurance, billing and claims.

COMP TIA: A+ COMP TIA Network +

Students earn national certifications that could qualify them for career opportunities in desktop support, computer repair, helpdesk, user support and network support.

Scholarships are available for those who qualify.

NTI graduates receive career services:

- Assistance in resume and cover letter preparation and interviewing skills
- Advice and information on job leads in specific areas of training
- Continuous and individual job placement assistance
